A step-by-step guide to finding care at anthem.com

Finding the care you need when and where you need it is important. That's why we've made it easier for you to find dentists in your plan's network at **anthem.com**.

Follow these steps to find care in your plan:

1 Go to **anthem.com/find-care**.

2 Search as a member or guest.

For members — Select **Log in for Personalized Search** on the left. To help you find care providers who would be a good fit for you, we sort your search results and provide the top three matches using **Personalized Match.** There are more options available below your top three, and you can always re-sort these search results by distance or name.

For guests — If you are not enrolled yet in an Anthem plan, you also can search as a guest. Choose **Basic search as a guest.** Then answer the questions regarding the type of care you need, the state you need care in, and the type of plan you want to search under.

Select the type of plan or network — **dental.**

- Choose the state where the plan or network is located.
- Select how you get health insurance.
- Choose a plan or network — in this case, **Dental Complete.**
- Select the **Continue** button.

3 Enter your city, county, or ZIP code. You also can search by dentist, or procedure, as well as using other care-related terms.

4 View your search results. You can filter your results by selecting the relevant boxes on the left or browsing by list or map views.

In addition to using a telehealth service, you can receive in-person or virtual care from your own doctor or another healthcare provider in your plan's network. If you receive care from a doctor or healthcare provider not in your plan's network, your share of the costs may be higher. You may also receive a bill for any charges not covered by your health plan.
